

【Job Openings】 School of Materials and Chemical Technology
Department of Materials Science and Engineering

1. **Position Title:** Assistant Professor
2. **Affiliation:** School of Materials and Chemical Technology, Department of Materials Science and Engineering
3. **Research Field:** Physical metallurgy and computational engineering of microstructure formation and design for high-temperature metallic materials, focusing on jet engine materials
4. **Qualifications:** (1) Ph. D Degree or Doctoral Degree at the job start date
(2) Enthusiasm for the above education and research fields
5. **Job Description:** (1) Teaching in undergraduate and graduate courses related to the above fields in the Department in either English or Japanese
(2) Supervising undergraduate and graduate students
6. **Proposed Start Date:** Within this fiscal year or the earliest possible date thereafter
7. **Job Location:** Ookayama Campus, Tokyo Institute of Technology
8. **Status:** Full-time Faculty Appointment for up to 5 years. Reappointment may be possible but limited up to 10 years from the original date of employment.
9. **Salary:** Salary will be determined according to the National University Corporation Tokyo Institute of Technology Salary Regulations for Employee with Annual Salary
10. **Application Deadline:** Oct. 28, 2016
11. **Application Documents:**
 - 1) A Curriculum vitae (after high school education with photo)
 - 2) A Publication list, including invited conference talks and other relevant information
 - 3) Awards or prizes received
 - 4) List of acquired external competitive funds
(Distinguishing as principal investigator and others)
 - 5) Reprints or copies of significant articles (three articles)
 - 6) Brief statement of research achievements and educational career (within 1 page in A4 sheet)
 - 7) Brief statement of research plans (within 1 pages in A4 sheet)
 - 8) Brief statement of teaching and education experiences and education plan
(within 1 page in A4 sheet)
 - 9) Contact address (name, affiliation and e-mail address) of two reference persons
12. **Mailing Address**

Secretary, Department of Materials Science and Engineering, Tokyo Institute of Technology
2-12-1, S8-25, Ookayama, Meguro-ku, Tokyo 152-8552, JAPAN
13. **Contact Pearson**

Prof. Ji SHI
Phone/FAX: +81-3-5734-3145, e-mail: shi.j.aa@m.titech.ac.jp
14. **Selection Process:**

Screening will be based on the documents submitted. Interviews will be performed as necessary.
15. **Notes:** Applicants should send a set of the printed application documents, together with CD or USB flash memory, by registered postal mail. On the envelope, write “Application Documents for the Professorship” in red ink.

The documents are not returned. Travel expenses for an interview will not be reimbursed.

☆ Tokyo Institute of Technology, in order to strengthen the university across diverse fields, protects diversity in its staff and ensures equal opportunity for women and non-Japanese.
